Update regarding the IB entrance exams at Matlidents gymnasium (18.3.2020)

Due to the current restrictions and closures in place due to the Corona virus, Matlidents gymnasium has CANCELLED the IB entrance exam for this year. Please see below for information on how students will be selected for the upcoming school year.

Applicants applying with a Finnish comprehensive school leaving report

Admission will be based on the weighted GPA, the weighted subjects being Biology, Chemistry, Physics, History and Civics.

International applicants (i.e. those applying from abroad or applying with international school reports)

Decisions will be based on application documents and school reports. If these were not submitted by the deadline of March 15, please email any missing documents to anna.martikainen@espoo.fi as soon as possible, but by April 7, 2020 at the latest.

Applicants to IB1 (both in Finland and abroad)

Decisions will be based on application documents and school reports. If these were not submitted by the deadline of March 15, please email any missing documents to anna.martikainen@espoo.fi as soon as possible, but by April 7, 2020 at the latest. At this point, it is not possible to say how many spots are available in IB1 for the 2020-2021 school year.

Any queries regarding the above can be directed to the DP coordinator, Anna Martikainen.
